

The Military History Society of New South Wales Incorporated presents

Christmas Drinks

The Society will be hosting a social afternoon on the 9th of December in place of the usual lecture. This would be an opportunity to meet with like-minded people and discuss military history as well as share any ideas we may have for what the Society should do in the coming year.

We are intending to hold the event in the Downstairs Bar at 99 York Street starting at around 1:30 PM. Members and Friends would purchase their own drinks and nibbles - no 'free beer'.

Saturday 9th December 2017, 2.00pm – 3.00pm
